(1) Multiple User Access is available as a QuickBooks Online Essentials and Plus feature. QuickBooks Online Plus allows for up to 20 simultaneous users. Additional fees apply. (2) Works on iPhone, Android OS, and BlackBerry 5.x or later. Mobile devices sold separately. Not all features are available on mobile versions of QuickBooks Online. Availability subject to regular maintenance periods. (3) Minimum browser requirement: Internet Explorer 8, Firefox 12, Safari 5, Chrome. (4) Free Support included with paid QuickBooks Online subscription and is available Monday through Friday between 6 am - 6 pm PST. Subscriptions must be current. Intuit reserves the right to limit the length of the call. Offer available for a limited time only and terms, conditions and pricing are subject to change without notice. (5) Exporting data into QuickBooks Plus from another version of QuickBooks can take an hour or more, depending on the amount of data. QuickBooks Online can import a data file within the first 30 days of a new account being set up. Data can be imported from the following desktop versions of QuickBooks: Simple Start Edition; Pro 99 through 2011; Premier Edition 99 through 2011; Enterprise Solutions 99 through 2011; Basic 99 through 2005. (6) Exporting data to Excel requires Excel 97 or later. (7) Requires a QuickBooks Online merchant account; additional fees apply. (8) From participating financial service providers.
