

Lacerte 2011 does more of the work for you, faster.

Renew today and get the most complete Lacerte ever.

Dear Valued Lacerte® Customer,

Tax prep is not easy. That's why, year after year we're committed to providing you with the best professional tax software—so you save time on every step of your workflow. This year is no different. From start to finish, Lacerte 2011 will help you move quickly through your entire workflow, including data collection, data entry, tax research, tax prep, e-File and tax planning—with greater ease, speed and accuracy than ever before.

Lacerte 2011 will be your complete tax solution.

Last year, we saved you time with tax import and research. We also delivered many of the forms you need to serve more clients. This year, you'll have access to even more tools:

- 1. State e-File now included:** Serve more clients in more states.
- 2. e-Organizer and Trial Balance Utility now included:** Work more efficiently with client information.
- 3. Powerful functionality:** Get better performance and integration.
- 4. New Lacerte productivity tools:** Import data, research tax law and manage your practice—all available from within Lacerte.

Call to renew—plus, learn about new financing options.¹

Because you're a valued customer, I encourage you to take advantage of these powerful new features. When you call, ask about our new finance options that offer you even more flexibility. **Call 800-765-7777 today.** It's that easy.

Sincerely,

Jim McGinnis
VP Marketing, Accounting Professionals Division

e-File more clients in more states!

State e-File now included in Lacerte! You get all the states you asked for, making this Lacerte's most complete e-File solution. Planned additions include:

- FL extensions and estimated payments for 1120, 1120S
- ID 1065, 1120, 1120S
- LA 1120, 1120S
- MA 355U
- MI UBT 4580
- MO 1120, 1120S
- NYC extension & amendments for 1065, 1120, 1120S
- TX 1040, 1065, 1120, 1120S
- WI 1041

(List subject to change; check lacerte.intuit.com for updates.)

Get more features—and value!

Now included in Lacerte! Get two of our most popular time-saving tools, now included at no additional charge:

- **e-Organizer:** E-mail customized e-Organizers to your clients and *show* them the information they need to collect. It's easier for them—and faster for you.
- **Trial Balance Utility:** Develop chart of accounts, adjust journal entries and manage tax line assignments—all within Lacerte. Client data carries over from year to year.

Get more power and integration!

Lacerte continues to invest in the latest technologies to help you get the most out of your tax solution. Recent updates include:

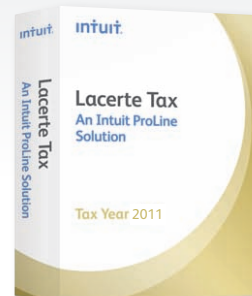

- **NEW! K1 Transfers:** Manage complex returns easier than ever before by exporting K1s from one business return to another.
- **IMPROVED! Document Management System:** Store, organize, view, edit and send documents in electronic format. Dramatically reduce your printing costs (*see back for more details*).

Save more time in your workflow!

Add time-saving tools to Lacerte 2011 and automate tedious, routine tasks. *See details on back.*

- **Lacerte Tax Import:** Import more, input less.
- **Lacerte Tax Research:** Find tax answers fast.
- **Lacerte Tax Analyzer:** Offer tax strategies.
- **Lacerte Tax Planner:** Protect your clients.
- **Lacerte Document Management System:** Store any type of client data electronically.
- **ProLine Practice Management:** Manage your practice from one application.

Why settle for less than a complete tax solution? From serving your clients to managing your practice, Lacerte offers all the tools you need to save time at every step in your workflow.
