Your Responsibilities Concerning Taxes

Federal, State and Local Taxes

Employers must register with the Internal Revenue Service (IRS) and the Michigan Department of Treasury for Social Security tax (federal) and income tax withholding (federal and state). These taxes must be withheld from each employee's wages and paid to the appropriate taxing agency. Some cities also levy a city income tax. Contact the City Treasurer's office for information. Employers must report all newly hired employees. See the Michigan Income Tax Withholding Guide, visit the New Hire Reporting Web site at www.newhire-usa.com/mi or call 1-800-524-9846 for more information.

Federal Unemployment Tax (FUTA)

Most employers must pay federal unemployment taxes. Contact the IRS toll-free at 1-800-829-3676 for more information.

State Unemployment Tax

Employers must register with the Unemployment Insurance Agency (UIA) and pay unemployment taxes. Unemployment taxes are paid entirely by the employer. Employers have an ongoing obligation to inform the Agency of **any** transfer of assets, organization, payroll, trade or business. Contact the UIA Tax Office at P.O. Box 8068, Royal Oak, MI 48068-8068; in Michigan, call 1-800-638-3994; out of state call 313-456-2180 for account-specific information. More information can also be found on the Agency's Web site at www.michigan.gov/uia.

Workers' Disability Compensation

Most employers are required to provide workers' disability compensation coverage for their employees. A workers' disability compensation policy is purchased from a private insurance company. Contact the Workers' Compensation Agency at P.O. Box 30016, Lansing, MI 48909, or call 517-322-1195 for more information.

Health and Safety Standards

Employers must comply with health and safety standards under the federal and state Occupational Safety and Health Act (OSHA) and the Right-to-Know laws. Contact the Department of Labor and Economic Growth (DLEG), MIOSHA, P.O. Box 30643, Lansing, MI 48909-8143, or call 517-322-1845 for more information.

Immigration Law Compliance

Employers must verify the employment eligibility of all employees hired after November 6, 1986. Contact the Office of U.S. Immigration and Custom Enforcement at 313-568-6042 for forms and more information.

New Businesses

Employers are required to file tax returns on time and with the correct payment when required. Employers are responsible for the accuracy of the returns, regardless of who may be hired to prepare them. Accurate and complete records must be kept for determining tax liability properly, as required by law or department rule.

Selling or transferring all or part of your business. Whenever you sell or transfer any part of the payroll, accounts,

services or assets of a business covered under the *Michigan Employment Security (MES) Act*, you must complete Form UIA 1027, *Business Transferor's Notice to Transferee of Unemployment Tax Liability and Rate*. The seller, seller's real estate broker or other agent must deliver the completed Form UIA 1027 to the purchaser of the business at least two business days before the transfer of the business. You may obtain this form at the UIA Web site at www.michigan.gov/uia or by calling 1-800-638-3994 or 313-456-2180. Form UIA 1346, *Disclosure of Transferor Account*, provides the information needed to complete Form UIA 1027 and may be obtained by calling the telephone numbers listed above.

Delinquent taxes owed to the Michigan Department of Treasury must be paid with this registration. Submit a letter identifying the business name, address, Federal Employer Identification Number (FEIN), type of tax being paid and the period(s) the tax was due. Payment should include tax, penalty and interest owed. Go to the Web site at www.michigan.gov/business taxes and under Treasury Quick Links click on Estimated Penalty and Interest.

Corporate officers may be held liable for Treasury tax debts incurred by their corporations.

Delinquent collections. Treasury and UIA may both file tax liens against any taxpayer's real and personal property and issue a tax warrant or levy to seize and sell the property to pay delinquent taxes.

Successors (buyer or acquirer of a business). If you buy either an existing or discontinued business or its stock of goods, you can be held liable for tax debts incurred by the previous owner. You must withhold sufficient purchase money to cover these tax debts until the previous owner produces a receipt showing the taxes have been paid or a certificate stating that no taxes are due. This certificate may be obtained through the Department of Treasury, Collection Division, Tax Clearance. Upon the owner's written waiver of confidentiality, Form 3840, *Limited Power of Attorney*, Treasury will release a business's known tax liability for purposes of establishing an escrow account. The Tax Clearance office can be reached at 517-636-5260.

For unemployment tax purposes, a successor may also be held liable for tax debts incurred by the previous owner. For more information, or to obtain clearance statements, call UIA Employer Customer Relations at 1-800-638-3994 or access the Agency's Web site at www.michigan.gov/uia.

4. NONPROFIT EMPLOYERS

Nonprofit organizations finance their unemployment liability by either (1) paying unemployment taxes on the taxable wages of their employees (contributing) or (2) making a specific prior election to reimburse the UIA for any unemployment benefits paid to their former employees (reimbursing). A nonprofit organization that does not elect to be reimbursing will be, by default, contributing. To elect reimbursing status, see paragraphs 4A-4D.

- A. Nonprofit employers electing reimbursing status must provide the UIA with a copy of the documentation from the Internal Revenue Service (IRS) granting 501(c)(3) status.

Check this box if you elect to be a reimbursing employer. Attach a copy of your IRS 501(c)(3) documentation. Failure to check this box will result in the establishment of your liability as a contributing employer.

4. NONPROFIT EMPLOYERS (continued)

B. If you are a nonprofit employer electing reimbursing status, enter the amount (or estimate) of your gross annual payroll \$

C. **Bonding Requirements.** Section 13a of the *Michigan Employment Security (MES) Act* requires that **nonprofit** employers electing reimbursing status on or after December 21, 1989, and that have, or expect to have, a gross payroll of more than \$100,000 during any calendar year must notify the UIA of that fact immediately and must provide a surety bond, irrevocable letter of credit, or other banking device approved by the UIA, in an amount to be determined by the UIA to secure the employer's obligations under the MES Act. If you exceed \$100,000 in gross payroll in a later year, you are obligated to notify the UIA, and provide the bond at that time.

D. If your organization is funded more than 50 percent by a grant, list the source and duration of the grant.

Source	Start Date	End Date

5. GOVERNMENTAL AGENCIES, INDIAN TRIBES AND TRIBAL UNITS

Governmental entities generally reimburse unemployment insurance benefits paid to former employees on a dollar-for-dollar basis unless they elect to make quarterly "contribution" payments.

A. If you are a governmental agency, or Indian tribe or tribal unit, identify the type (i.e., city, township, commission, authority, tribe, etc.)

B. Enter your fiscal year beginning date

Month		Day	

Under the MES Act, a governmental agency or Indian tribe finances its unemployment liability by (1) reimbursing the UIA for any unemployment benefits paid to their former employees (reimbursing) or (2) electing to pay unemployment taxes on the taxable wages of its employees (contributing).

C. Check this box if you elect to be a contributing employer. Failure to check this box will result in the establishment of your liability as a reimbursing employer. Indian tribes and tribal units are subject to the same bonding requirements as nonprofit employers (see Line 4C, above).

6. FEDERAL UNEMPLOYMENT TAX ACT (FUTA) SUBJECTIVITY. Select this option ONLY if you are NOT liable for UIA taxes under any of the other employer types (1-5 above).

If you are already subject to FUTA, enter the state, other than Michigan, where you became liable.....

State	

Note: "Subject to FUTA" refers to filing Form 940 with the IRS. If you are required to file Form 940 (FUTA) with the IRS in other states, you are required to file and pay state unemployment taxes in Michigan.

7. ELECTIVE COVERAGE. For employers who would not otherwise be liable for unemployment taxes, such as churches.

Check this box if you wish to elect coverage under the MES Act. Approval is subject to UIA review; some qualifiers apply. Your election, if granted, will apply to all your employees.

Give your reason for electing coverage in the space provided below. If you are an individual owner or partnership electing to cover family members, specify their relationship to the owner or partners. You may not elect coverage for your parents or spouse, nor for your child under the age of 18. Individual owners and partners cannot elect coverage for themselves. You may not elect coverage for domestic employment below the statutory requirements stated above. Election of coverage remains in effect for a minimum of two calendar years.
