INCREASE SALES, IMPROVE CASH FLOW

Credit Cards
PIN Debit Cards
Electronic Checks

- Accept electronic payments of any kind, anytime, anywhere with our wide variety of solutions

- Collecting payment by credit card, debit card, or electronic check reduces the risk of late payments and non-sufficient funds

- Improve cash flow - funds are deposited into your bank account within 2-3 business days[3]

- Over 50% of our customers report a sales increase after starting to accept credit cards[4]

- And there are no long-term contracts or cancellation fees

Intuit® Payment Solutions can fulfill the payment needs of you and your clients.

Intuit Merchant Service for QuickBooks
Requires QuickBooks Financial software 2008 (for the PC) or higher, QuickBooks Enterprise Solutions 8.0, or QuickBooks Online Edition (each sold separately) and a merchant account through QuickBooks Merchant Service, provided by Intuit Payment Solutions. Application approval, an Internet connection on a Windows PC and at least Internet Explorer 5.0 required. Not compatible with QuickBooks Pro for Mac. Transaction fees apply. Additional fees apply when accepting cards other than Visa, MasterCard and Discover® Network, including American Express and Diner's Club Cards. Transactions are subject to Association guidelines. Card swiped rate requires card reader; sold separately. Terms, conditions, features, pricing, service and support options are subject to change without notice.

Intuit Merchant Service for Web Stores
Requires a merchant account through QuickBooks Merchant Service, provided by Intuit Payment Solutions. Application approval, an Internet connection on a Windows PC and at least Internet Explorer 5.0 required. QuickBooks Financial Software is not required to process credit card payments through an online store with QuickBooks Merchant Service. Not compatible with QuickBooks Pro for Mac or QuickBooks Online Edition. Download of credit card payments into QuickBooks, requires QuickBooks 2008 Pro, Premier or Enterprise 8.0 or higher or Simple Start or higher. Only certain web stores support QuickBooks integration. Integration varies by web store provider. Check with web store provider for availability. Transaction fees apply. Additional discounted monthly eCommerce fee applies when combining Intuit Merchant Service for Web Service with Intuit Merchant Service for QuickBooks service. Intuit Merchant Service for Web service may be purchased independently. Additional fees apply when accepting cards other than Visa, MasterCard and Discover® Network, including American Express and Diner's Club Cards. Transactions are subject to Association guidelines. Terms, conditions, features, pricing, service and support options are subject to change without notice. A Web store requires additional services and fees, and is not provided by Intuit.

Intuit Merchant Service for Terminals
Requires QuickBooks Financial Software 2008 (for the PC) or higher (sold separately) and a merchant account through QuickBooks Merchant Service, provided by Intuit Payment Solutions. Application approval and Internet access required. Transaction fees apply. Not compatible with QuickBooks Pro for Mac or QuickBooks Online Edition. Additional fees apply when accepting cards other than Visa, MasterCard and Discover Network, including American Express and Diner's Club Cards. Transactions are subject to Association guidelines. Not all existing terminals can be reprogrammed. New terminal purchase may be necessary. Terminals are available separately to lease or buy. Fees & Adjustments download is only available in QuickBooks Financial Software 2008 or higher or QuickBooks Enterprise 8.0 or higher. Pin Debit Network fees vary; PIN pad required for PIN debit transactions; sold separately. Terms, conditions, features, pricing, service and support options are subject to change without notice.

Intuit QuickBooks Point of Sale Merchant Service
Requires Intuit QuickBooks Point Of Sale software version 6.0 or higher (sold separately) and a merchant account through QuickBooks Point of Sale Merchant Service, provided by Intuit Payment Solutions. Application approval required. Fees apply. Optional card reader required for lowest discount rate available. Card reader and receipt printer are sold separately or available with QuickBooks Point of Sale solution for retailers. Intuit QuickBooks Point of Sale software version 4 or higher and pin pad required for PIN debit transactions. PIN pad to accept PIN debit transactions sold separately. Internet access or modem and phone line required. Terms, conditions, features, pricing, service and support options are subject to change at any time without notice.

Intuit Online Terminal
Requires a merchant account through QuickBooks Merchant Service, provided by Intuit Payment Solutions. Application approval, an Internet connection on a Windows PC and at least Internet Explorer 5.0 required. Transaction fees apply. Additional fees apply when accepting cards other than Visa, MasterCard and Discover® Network, including American Express and Diner's Club Cards. Rates are determined by the financial institution and are subject to change without notice. Transactions are subject to Association guidelines. Terms, conditions, features, pricing, service and support options are subject to change without notice

Intuit Check Solution for Terminals
Requires a check processing account through Echo, an Intuit Company Check Solution. Application approval required. Internet connection or phone line required. Transaction and other fees apply. Echo Check Guarantee restrictions apply. Check verification required. Check scanning requires check reader sold separately. Free check reader requires purchase of qualifying terminal. Credit card terminal may be required, sold separately. Terms, conditions, features, pricing, service and support options are subject to change without notice.

Intuit GoPayment
Requires an Intuit QuickBooks Merchant Service account for GoPayment, provided by Intuit Payment Solutions. Application approval required. Transaction and service fees apply. Additional fees apply when accepting cards other than Visa, MasterCard and Discover Network, including American Express and Diner's Club Cards. Transactions are subject to Association guidelines. Optional Bluetooth card reader required for lowest discount rate available. Card reader and receipt printer are sold separately and are only supported when using the GoPayment downloaded application; they are not supported by the web browser version. Optional Fees & Adjustments download feature is available in QuickBooks financial software 2009 or higher, sold separately. Terms, conditions, features, pricing, service and support options are subject to change without notice.
*If you already have an Intuit QuickBooks Merchant Service account to process in your QuickBooks software, you can simply add GoPayment as an extra processing option by going to the Manage Account tab in the Merchant Service Center.

Intuit QuickBooks Billing Solution
Intuit QuickBooks Billing Solution is required to e-mail invoices enabled for online payment. Separate sign-up and additional fees apply. Internet access required. Some Intuit QuickBooks Billing Solution features are not activated for invoices sent via U.S. mail. Transaction fees still apply for mailed invoices and online payment options.
