

IDEAL FOR... New merchants or those who process only a few charges per month.

QuickBooks® Merchant Service Online Terminal The easy, affordable way to accept credit cards

With just a few clicks in a Web browser, you and your clients can process credit card transactions, view and print receipts, and much more. It's a smart choice for those new to merchant services, or merchants who process only a few charges per month.

- ✓ Accept credit cards using our protected website
- ✓ No credit card terminal or software required
- ✓ No setup fee, no monthly minimums, and low monthly fee
- ✓ Use Online Terminal from any computer with internet access
- ✓ Includes LIVE 24/7/365 support¹

AN EASY, AFFORDABLE WAY TO START ACCEPTING CREDIT CARDS

Grow your business with QuickBooks Merchant Service Online Terminal—the affordable way for you and your clients to accept credit cards. It's as easy as 1-2-3.

1. Charge the Credit Card

Click the "Charge a Card" link on the protected QuickBooks Merchant Service Online Terminal website home page.

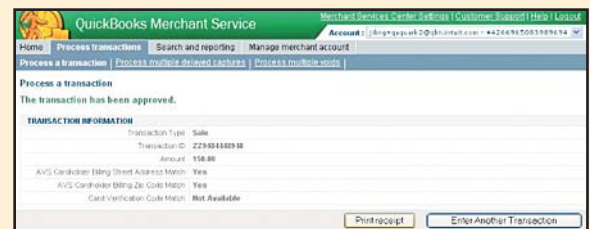

2. Enter Payment Information

Simply enter payment information and click the "Process Transaction" button. Payment data is transmitted using the highest possible 28-bit encryption and stored at Intuit's protected data center.

3. View Receipt

View and print a receipt, or enter another transaction.

That's it. After the transaction is approved, funds are deposited into your existing bank account.²
