

Intuit® Merchant Service for Terminals

For Accountants, QuickBooks ProAdvisors® and your clients

The Quick, Easy Way to Accept Credit and Debit Cards Using a Terminal.

From the maker of QuickBooks, Intuit Merchant Service for Terminals can help make accepting credit and debit card payments fast, accurate, and simple.

Easy to set-up and use. Collect customer payments by credit or debit card. Just swipe the card and you're done.¹ No expertise needed! You and your clients can start taking payments fast.

Lowers your operating costs. Merchant Service for Terminals is designed for businesses on a budget and offers attractive discount rates for swiping credit cards with a terminal. And debit cards are no problem with an optional PIN pad.

Fast and flexible. Merchant Service for Terminals offers you a choice of terminals with industry specific, value-added features. Works with dial-up, Internet, or wireless connections for maximum convenience. Funds can be deposited into your account in as little as two business days.²

24/7 support. If you should ever need help, live, U.S.-based Merchant Service technical support is available around the clock. 24/7/365... we're there when you need us.
