Intuit offers you and your clients a variety of inexpensive ways to accept card payments easily and efficiently. The real value: More time and money to focus on growing your business.

- **Integrates with QuickBooks**—Intuit Merchant Service for Web Stores integrates smoothly with QuickBooks software,¹ because it's made by QuickBooks.
- **Saves you and your clients time**—sales are processed and transactions are entered into QuickBooks software with a single click. You enter information only once.
- **Get paid faster**—funds are usually deposited in your U.S. bank account in as little as 2-3 business days.³

Outstanding Support for Your Business

We offer live, U.S.-based customer service 24/7/365— helps keep you and your clients up and running—FREE.⁶

- **Talk to a real person fast.** We answer the phones, usually in less than 10 seconds, night or day, every day.
- **Friendly payment experts.** We'll help you understand our different payment solution options, so you and your clients can be confident in the choices you make for your business.

Seamless integration can help save you time and money.

Intuit Merchant Service for Web Stores is the fast, easy way for you and your clients to accept credit and debit cards—without buying a costly terminal or additional software. Since it's integrated into QuickBooks software, credit card payments are automatically saved in QuickBooks, eliminating the need to manually enter the sale a second time into a credit card terminal—something you or your clients may have to do if you use another merchant service.

As a QuickBooks ProAdvisor[®] or QuickBooks Accountant, you can pass along additional benefits to your clients. When they are approved for QuickBooks Merchant Service for Web Stores, they'll also receive:

- FREE Intuit QuickBooks Billing Solution - \$14.95/ month value.⁶
- NO monthly fees for the first three months
- Special accountant and client discounted pricing.
