

QuickBooks® Enterprise Solutions Delivers Better Reporting and Saves Time vs. DOS-based System

"We no longer have to do a hard end-of-the-month close. Now we just run a report in Enterprise Solutions for what we need and save a lot of time!"

Marsha Cole
Accountant
Dovco Industrial Fabricators

Customer Profile:

- Steel fabrication company that makes just about anything out of steel, such as large structures, ductwork, support steel, stairways, doors and more
- In business for 30+ years
- Located in Baltimore, Maryland
- 35 employees

Choosing Enterprise Solutions:

- Using Enterprise Solutions since early 2007
- Previously used ProComm Plus, a DOS-based accounting system
- Switched to Enterprise Solutions to get more accurate and robust reporting capabilities
- Selected Enterprise Solutions over other mid-market applications for its ease and flexible reporting

Implementing Enterprise Solutions:

- Up and running with Enterprise Solutions in less than three months
- Implementation support and user training provided by the firm's accountant, who is one of the more than 300,00 certified QuickBooks ProAdvisors®

Benefits of Enterprise Solutions:

- Daily tasks are performed quickly and easily, saving time and alleviating stress compared to the previous method
- Flexible reporting eliminates the need to do a hard close at the end of each month
- Being on a modern software package enables them to complete basic tasks that the DOS-system did not allow, such as viewing reports without having to print them
