

## QuickBooks® Enterprise Solutions Helps Environmental Consulting Firm Keep Its Books Clean

*“Not knowing anything about Enterprise Solutions, I was able to find things very easily. The buttons are very intuitive and it’s very easy to navigate.”*

**JoAnne Wong**  
AVP for Administration  
Environet, Inc

### Customer Profile:

- Environmental consulting firm that helps businesses clean up contaminated sites in compliance with state regulations
- In business since 1995
- Located in Honolulu, Hawaii
- 24 employees

### Choosing Enterprise Solutions:

- Using Enterprise Solutions since 2006
- Previously used Axium by Protrax
- Switched to Enterprise Solutions to get better tracking of costs
- Selected Enterprise Solutions over other mid-market applications for its ease, flexible reporting, and comprehensive tech-support

### Implementing Enterprise Solutions:

- Up and running with Enterprise Solutions almost immediately
- Received some help from their CPA to integrate Enterprise Solutions with another software package the company uses to manage government contract reporting
- No need for an investment in training as Enterprise Solutions was very intuitive and easy to learn

### Benefits of Enterprise Solutions:

- Flexible reporting capability allows the company’s financial standing to be seen instantly
- One-click workflows make expense tracking and invoicing much easier and more efficient than the previous system
- Enterprise Solutions’ integrated payroll functionality allows employees to be paid quickly and easily
