

Proven

“We run a company that will do \$10 million in sales with close to 300 hundred employees, **and we do it with only four corporate staff members.** I believe it’s our use of QuickBooks Enterprise Solutions that enables us to do that.” *Bill Lawrence, Bubbles Car Wash*

“There’s no product I’m aware of that gives you everything QuickBooks Enterprise gives you... I’m able to run every facet of my business for a fraction of what it would cost with any of the competitors.” *Nick Syris, AVI Electronics*

“You have a great product with Enterprise Solutions, and an even better customer support model. Thanks again to all of the support people that have helped us learn and understand Enterprise.” *Richie Pereira, StayTan, Inc*

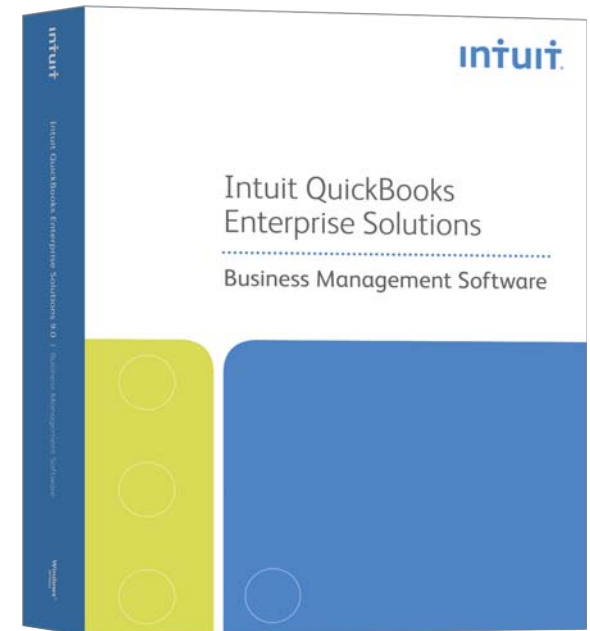

“QuickBooks Enterprise Solution flies. My employees get twice as much work done in the same amount of time and that gives us all more time to focus on running the business.” *Nancy Severet, Falcon Aviation*

intuit.

Testimonials represent the individual experiences of these customers; Intuit does not guarantee results will apply to all customers.

1. Users on the same network must all use the same version of QuickBooks Enterprise Solutions to access the same company file.
2. Full Service Plan is good for 12 months from purchase. Dedicated Support Team available weekdays from 5 A.M.-5 P.M. Pacific Time, Intuit reserves the right to limit each telephone contact to one hour and to one incident. Support availability subject to occasional downtime for systems and server maintenance, company events, observed U.S. holidays, and events beyond our control. Terms, conditions, pricing, service offerings, and availability of the Full Service Plan are subject to change at any time without notice.
3. Majority of QuickBooks Enterprise Solutions 9.0 customers experienced fewer company file in use messages than in QuickBooks Enterprise Solutions 8.0. Ten key reports were tested versus QuickBooks Enterprise Solutions 8.0. Test specifications can be found at [www.qbes.com/testspecs](http://www.qbes.com/testspecs). Individual results may vary.
4. Testing was performed on Enterprise Solutions 10-user with 250MB-300MB files on a Windows XP Pro SP2, Compaq 2.5Mhz CPU with 1GB RAM system. Individual results may vary.
5. Enterprise Solutions allows you to add up to one million names (e.g. customers, vendors, employees) and up to one million items (e.g. inventory, non-inventory, and service items). Some performance degradation is likely as your lists approach these size thresholds.
6. Service provided by Wall Street on Demand. Additional fees may apply Internet Access Required.
7. We authenticate your account with your financial institution, and then use secure data transmissions between your financial institution and Intuit. Online services vary by participating financial institutions or other parties and may be subject to application approval, additional terms, conditions and fees. Bill pay and online funds transfer available at participating financial institutions, additional fees may apply.
8. Non-Intuit Applications sold separately.
9. QuickBooks Live Community requires that you are connected to the Internet.
10. Requires QuickBooks Enterprise Solutions 7.0 Release 8 or higher. Enterprise Solutions can only be installed on a Windows client.
11. Additional fees may apply. Requires Windows Server 2000, 20003 or XP Pro licenses. For multiple users, Windows 2000 Terminal Services Client Access Licenses required.
12. Business software applications sold separately.
13. Requires Excel 2003 or 2007, sold separately.
14. Microsoft products sold separately. Word and Excel integration requires MS Word and Excel 2000, 2002, 2003 or 2007.
15. Non-Intuit Applications sold separately.
16. One seat of Intuit Warehouse Management ES and Intuit Field Service Management ES included with Full Service Plan. Intuit Sales Management ES offered as an open beta for any customer on QuickBooks Enterprise Solutions 9.0.
