To obtain a Bulk Sale Clearance Certificate, the seller must complete the Application for Tax Clearance Certificate, REV-181. Pursuant to 72 P. ## SECTION 11 – CORPORATION INFORMATION

**All corporations must register with the PA Department of State to secure corporate name clearance and register for corporation tax purposes. To register a new corporation via the Internet or to download the necessary forms, visit [www.paopenforbusiness.state.pa.us](http://www.paopenforbusiness.state.pa.us), or call the PA Department of State at (717) 787-1057.**

- 1-6. Describe the corporation.
7. Check the box if the corporation is a federal "S" corporation. In accordance with Act No. 67 of 2006, a Corpora-

tion with federal Sub-Chapter S status is considered a PA S Corporation. In order **not** to be taxed as a PA S Corporation, REV-976 **must** be filed. To obtain this form online visit [www.revenue.state.pa.us](http://www.revenue.state.pa.us), or call the PA Department of Revenue at (717) 787-1064.

## SECTION 12 – REPORTING & PAYMENT METHODS

1. Payments equal to or greater than \$20,000 to the Department of Revenue must be remitted via an approved EFT method. If a payment of \$20,000 or more is not made via an approved EFT method, the account is subject to a \$500.00 penalty. Taxpayers must register with the PA Department of Revenue to remit payments via EFT.

An enterprise may also participate voluntarily in the Department of Revenue's EFT Program.

2. The Unemployment Compensation Contribution Methods are: **Contributory Method:** Under the contributory method, the amount of employer contributions due is based on a specified percentage of taxable wages. The maximum amount of taxable wages subject to the employer contribution may change from year to year.

**For-profit enterprises must pay under the contributory method.**

**Reimbursement Method:** Non-profit enterprises exempt under Section 501(c)(3) of the Internal Revenue Code and political subdivisions of PA who elect the reimbursement method are required to reimburse the UC Fund for all regular benefits paid which are attributable to service with the enterprise.

An enterprise will be assigned the contributory method of payment unless an election for reimbursement coverage is filed and approved by the PA Department of Labor & Industry.

**UC Employee Withholding Contributions:** Enterprises are required to report gross wages paid to employees, regardless of the method used to finance UC costs (contributory or reimbursement). Enterprises may be required to withhold and remit employee contributions according to Section 301.4(a) of the PA UC Law. The amount of employee contributions due is based on a specified percentage of gross wages. Employee contributions are not credited to an enterprise's reserve account balance, nor are they considered to be contributions for federal certification purposes under the Federal Unemployment Tax Act.

Additional information is available by contacting the nearest Department of Labor & Industry Field Accounting Service Office.

**Magnetic Media Filing for UC:** Enterprises with 250 or more wage entries are required to report quarterly Unemployment Compensation wages to the Department of Labor & Industry via magnetic media. Non-compliance may result in penalty charges. Any magnetic reporting file must be submitted for compatibility with the Department of Labor & Industry's format.

**Electronic Filing:** The Commonwealth's Electronic Tax Information and Data Exchange System (e-TIDES) is an Internet based filing and payment system that can be used to simplify reporting requirements for Unemployment Compensation, Employer Withholding Tax and Sales and Use Tax. Using e-TIDES will help your enterprise reduce the costs and delays associated with processing paper tax returns. To learn more about e-TIDES, visit the Web site at [www.etides.state.pa.us](http://www.etides.state.pa.us).

## SECTION 13 – GOVERNMENT STRUCTURE

A state government organization will be assigned the reimbursement method.

See page 22 of the instructions for further explanations regarding contributory and reimbursement methods of making payments to the Unemployment Compensation Fund.

## SECTION 14 – PREDECESSOR/SUCCESSOR INFORMATION

Complete this section if the registering enterprise is succeeding a predecessor (prior owner) in whole or in part. For assistance in completing Sections 14, 15, and 16, contact the nearest Department of Labor & Industry Field Accounting Service Office.

**Predecessor:** An enterprise that transfers all or part of its organization, trade, business or workforce to another enterprise.

**Successor:** An enterprise that acquires by transfer all or part of the organization, trade, business or workforce from another enterprise.

The registering enterprise may apply for the Unemployment Compensation (UC) experience record and reserve account balance of the predecessor by completing Section 15, Application for PA UC Experience Record & Reserve Account Balance of Predecessor.

The Department of Labor & Industry may determine that a transfer of experience from a predecessor to the registering enterprise will be mandatory provided there is common ownership, management or control, either directly or indirectly between the predecessor and the registering enterprise.

- 1-5. Provide predecessor information as requested on the form.
6. Check the appropriate box to indicate how the predecessor's business was acquired.

**Purchase:** Occurs when a new owner purchases all or part of the enterprise, or its assets, excluding stock purchases.

**Change in Legal Structure:** Occurs when the form of organization changes; for example, when a sole proprietorship incorporates, or forms a partnership.

**Consolidation:** Occurs when a new corporation is formed by combining two or more corporations which then cease to exist.

**Gift:** Occurs when the title to the property is transferred without consideration.

**Merger:** Occurs when one corporation is absorbed by another. One corporation preserves its original charter or identity and continues to exist and the other corporate existence terminates.

7. Enter the date the business was acquired.

8. Enter the percentage of the predecessor's total business acquired. Total business is defined as all activities reportable under a single Federal Employer Identification Number (EIN) including any activities occurring outside of PA.
9. Enter the percentage of the predecessor's PA business acquired. If less than 100 percent, provide the additional information as requested on the form.
10. Describe the PA business activity(ies) that the registering enterprise acquired from the predecessor.
11. Check the appropriate box(es) to indicate the type(s) of assets acquired from the predecessor.

## SECTION 15 – APPLICATION FOR PA UC EXPERIENCE RECORD & RESERVE ACCOUNT BALANCE OF PREDECESSOR

If the registering enterprise is continuing essentially the same business activity as the predecessor, the registering enterprise may apply for a transfer in whole or in part of the predecessor's Unemployment Compensation (UC) experience record and reserve account balance, provided that:

- The registering enterprise is continuing essentially the same business activity as the predecessor;
- The business transfer, acquisition or merger was not undertaken solely or primarily to obtain a lower UC contribution rate, and;
- The registering enterprise's risk of unemployment is related to the employment experience of the predecessor based upon the following factors:
  - Nature of the business activity of each enterprise
  - Number of individuals employed by each enterprise
  - Wages paid to the employees by each enterprise

It is important to consider more than the predecessor's existing rate. The benefit charges attributed to the business acquired from the predecessor may have an adverse effect on future rate calculations.

The basic contribution rate for a newly liable non-construction employer is 3.5 percent (.0350). The basic contribution rate for newly liable employers involved in the performance of a contract or sub-contract for the construction of new roads, bridges, highways, buildings, factories, housing developments, or other construction projects is 9.7 percent (.0970).

For any given calendar year, newly liable contribution rates are subject to a positive or negative surcharge according to Sections 301.5 and 301.7 of the PA UC Law.

To be considered timely, an Application for the Transfer of the Experience Record & Reserve Account Balance of a Predecessor must be filed prior to the end of the calendar year immediately following the year in which the transfer occurred.

- 1-2. Complete only to apply for the predecessor's experience record and reserve account balance. The authorized signature should be that of the owner, general partner, or officer of the predecessor and the registering enterprise. Attach Power of Attorney document, if applicable. If the predecessor's signature is unavailable, contact the nearest Department of Labor & Industry Field Accounting Service Office for additional information.

**SECTION 16 – UNEMPLOYMENT COMPENSATION PARTIAL TRANSFER INFORMATION**

Complete this section if the registering enterprise acquired only part of the predecessor's PA business and is making application for the transfer of a portion of the predecessor's experience record and reserve account balance.

Contact the nearest Department of Labor & Industry Field Accounting Service Office for Replacement UC-2A for Partial Transfer (Form UC-252) or for more information on the Unemployment Compensation (UC) taxable wage base for a specific year. Refer to page 27 for a list of offices.

If the Department of Labor & Industry determines that a transfer of experience is mandatory, the registering enterprise will be required to complete this section and Form UC-252.

1. Enter the exact date wages were first paid in the part of the predecessor's PA business or workforce that was transferred. This date must include any wages paid by known pre-predecessors; that is, any previous owners of the part transferred who had transferred their experience and reserve account balance to any successors, the last of which would be the current predecessor.
2. For each calendar quarter in the table, enter the number of employees who earned **taxable wages** in the part of the predecessor's PA business or workforce that was transferred. Include any quarters applicable to known pre-predecessors. Enter zero for any quarter in which no employees earned taxable wages in the part of the business that was transferred.
3. For each calendar quarter in the table, enter the number of employees who earned **taxable wages** in the part of the predecessor's entire PA business. Include any quarters applicable to known pre-predecessor's. Enter zero for any quarter in which no employees earned taxable wages in the part of the business that was retained.
4. Complete Item 4 only if the part of the business that was transferred was in existence for less than three full calendar years prior to the year of transfer. In item A, enter the number of employees who earned **taxable wages** in the part of the business that was transferred during the period from the first day of the quarter of transfer to the date of transfer. In Item B, enter the number of employees who earned **taxable wages** in the predecessor's entire business during the period from the first day of the quarter of transfer to the date of transfer.
5. Enter the total amount of **taxable wages** applicable to the predecessor's entire PA business for the period from the beginning of the quarter of transfer to the actual date of transfer.

Charitable, religious, non-profit educational institutions, and volunteer fire companies may be eligible for Sales Tax exempt status.

Act 55 of 1997, known as the Institutions of Purely Public Charity Act, changes the procedure and filing requirements for organizations seeking to qualify or renew Sales and Use Tax exemption status.

To apply, a separate application (REV-72) must be completed. See Section 22, page 17 for more details. In addition to completing the REV-72, the following documents are required and must be attached to the application:

- A copy of the Articles of Incorporation, By-laws, Constitution, or other governing legal document specifically including:
  - \* Aims and purpose of the institution;
  - \* A dissolution statement that expressly prohibits the use of any surplus funds for private inurement to any person in the event of a sale or dissolution of the institution.
- The most current financial statement (new organizations may substitute a proposed budget) including:
  - \* All income and expenses listed by source and category;
  - \* A list of the beneficiaries (individual, general public, other organizations, etc.) of the institution’s activities and how those beneficiaries are selected; and
  - \* A list of sales activities (gift shop, bookstore, social club, etc.) used to raise funds. The institution must apply for a Sales Tax License if engaging in sales activities.
- If the institution has tax exempt status with the Internal Revenue Service, a copy of the approval letter must be submitted.
- If the institution has voluntary agreements with political subdivisions, enclose copy of same.
- If the institution files Form 990, provide a copy of the most recently completed form.
