Partnership Items to Note (1065)

Items to Note

This list provides details about how Intuit Tax Online converts the following 1065 calculated carryovers.

- **Preparer Number** – Enter the Preparer Number on Screen 1, Client Information.

- **Number of Partners** – A maximum of 300 partners are converted.
- **Partner Information** – Intuit Tax Online only converts the first line of each partner's address. Verify that the address is correct.
- **Revocable Trust Partner** – A revocable trust partner type converts as an individual partner instead of a fiduciary.
- **Schedule K-1** – The ending capital for each partner is converted to beginning capital in 2006 Intuit Tax Online. The 2007 Intuit Tax Online Proforma Wizard transfers this amount to beginning capital in 2007 Intuit Tax Online.
- **Passthrough entity K-1 information** – The two address lines convert to one address line in 2006 Intuit Tax Online. Therefore, Intuit Tax Online converts only the first line of each entity's address to 2007. Verify that the address is correct.
- **Installment Sales** – Principal payments (current and prior) are included in "Prior Years' Payments" (Screen 19, page 2, code 37) for all installment sales.
Note: The installment sale section has a category for State Prior Year Installment Sales – Gross Profit Ratio and Ordinary Income. Enter state amounts only if the state amounts are different from federal.
- **Carryovers** – The Intuit Tax Online Proforma Wizard transfers all items in the conversion process except for a few state if different categories. Refer to the following carryover list for more details.
- **Form 8825** – Intuit Tax Online converts the Kind/Location of each property. Verify that the information is correct.
- **Depreciation** – Review and adjust as necessary (prior regular and AMT). Verify and adjust the depreciation method. Please review all depreciable assets and adjust if necessary.

List of Converted Items: TurboTax to Intuit Tax Online

▪ **Form 1065, Schedule K** – The format of Form 1065, Schedule K was modified so that certain separately stated items are classified by type and identified by a corresponding "K-1 code" on the partners' Schedule K-1. If a K-1 code is not entered in TurboTax for these separately stated items, none of the corresponding descriptions and amounts are converted to Intuit Tax Online. Please review all applicable Schedule K separately stated items and adjust if necessary.
