

Intuit® Payment Solutions

Intuit® GoPayment

For Accountants, QuickBooks ProAdvisors® and your clients

Get Paid on the Spot Using Your Mobile Phone.

Accelerate your cash flow and get the job done. Easily accept credit card payments on the mobile phone you already carry with you.¹

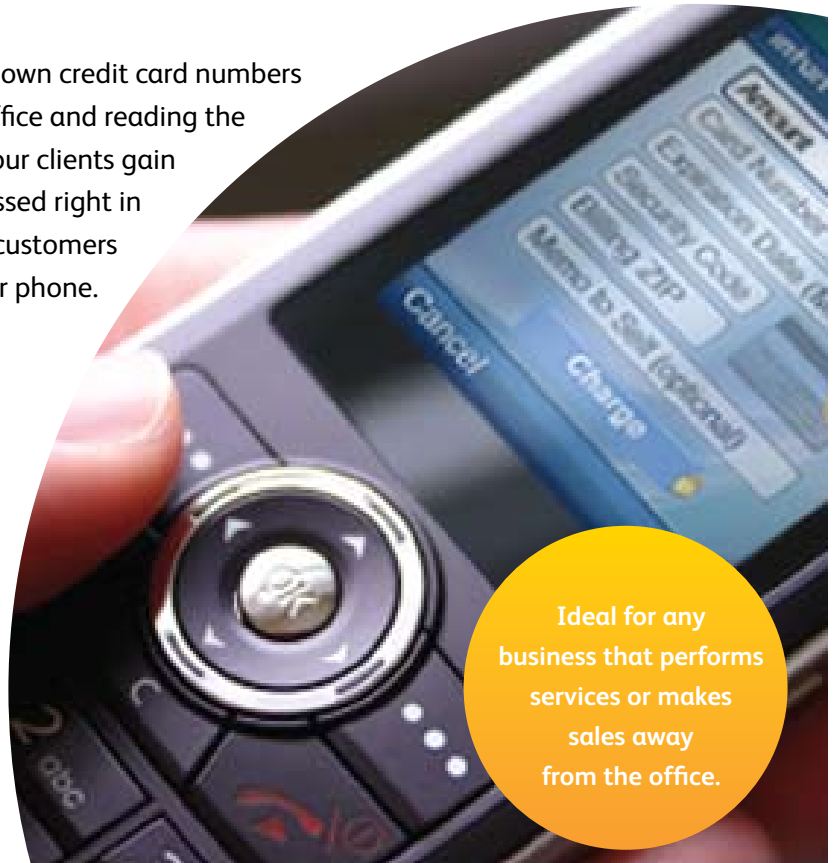

-  **Get paid faster.** No more waiting for checks to clear or chasing down invoice payments. Intuit GoPayment enables you and your clients to process credit card payments through your mobile phone the moment the job is done. Funds are automatically deposited in your bank account.²
-  **As easy as using your mobile phone.** GoPayment is simple to set up, simple to use. No expensive hardware or software required. Use any mobile phone with Internet access and start accepting credit card payments in no time.¹
-  **Transparent pricing.** GoPayment requires NO long-term contract and there are no hidden fees. Our pricing structure is open and easy to understand. Try it for yourself, and if you don't like it you can cancel at any time.
-  **Look more professional.** Still writing down credit card numbers to process later, or calling your back office and reading the number? With GoPayment, you and your clients gain peace of mind since payment is processed right in front of you. You can even email your customers an electronic receipt straight from your phone.

Real Value for Your Money

- **Scalable solution**—Enable as many employees as you need to accept credit card payments on their mobile phone with just one GoPayment account.
- **Downloads into QuickBooks**—GoPayment transactions download into QuickBooks software⁶ helping you save time and improve bookkeeping accuracy.
- **Save even more money**—Use the optional Bluetooth card reader³ to help you qualify for the lowest discount rate and make it even easier to process payment.

Outstanding Support for Your Business

We offer live, U.S.-based customer service 24/7/365—FREE.⁷

- **Talk to a real person fast**—We answer the phones usually in less than 10 seconds, night or day, every day.
- **Friendly payment experts**—We'll help you understand our different payment solution options, so you can be confident in the choices you make for your business.

All you need is a mobile phone with an Internet browser.

Now when you or your clients are on the road, you can make it easy for customers to pay you immediately for goods or services from the convenience of the mobile phone you carry in your pocket. And instead of going back to the office at the end of the day, you've been paid so the job is done and you can go home. With no special equipment to carry into the field, Intuit GoPayment takes the hassle out of getting paid.

It's as easy as 1-2-3!

Step 1: From your mobile phone, login to GoPayment.

Step 2: Type in payment amount, then key-enter or swipe³ in the credit card information.

Step 3: In seconds,⁴ you will receive electronic confirmation on your mobile phone.
