

# Intuit® Merchant Service for QuickBooks®

## For Accountants, QuickBooks ProAdvisors® and your clients

### Easily Accept Credit and Debit Card Payments with Merchant Service for PCs.

Process credit and debit card payments right in your QuickBooks software. You can save time, save money, and be more accurate.

**Get paid faster.** You and your clients can collect customer payments by credit or debit card at the time of the sale and reduce the risk of late payments or insufficient funds. Funds are deposited in your bank account in as little as 2-3 business days.<sup>1</sup>

**Save time.** Process a card transaction with Merchant Service for PCs<sup>2</sup> and your books are updated automatically. The payment is recorded and applied to the invoice or sales receipt.

**Save money.** You and your clients receive special pricing which can save you over \$199<sup>3</sup> in the first year. Plus, there are no cancellation or hidden fees.

**Improve accuracy.** Attach the optional card reader to your PC and eliminate data entry mistakes.<sup>5</sup> Accuracy is greatly increased using the card reader, and you can get a lower card-swipe rate.
