Important pricing terms, offer details, and disclosures (cont.)

1. QuickBooks Desktop Enterprise allows you to add up to one million names (e.g., customers, vendors, employees) and up to one million items (e.g., inventory, non-inventory, and service items). Some performance degradation is likely as your lists approach these size thresholds.
2. Licenses are available in single-user increments from 1 to 10 users or 40 users. Fees apply.
3. Additional fees may apply. Some apps may be available from third parties.
4. Additional fees apply for QuickBooks Desktop Enterprise Hosting Service subscription. Hosting Service is available for QuickBooks Desktop Enterprise only and is valid for number of users equal to or less than the number of QuickBooks Desktop Enterprise users assigned to customer's Intuit account. QuickBooks Desktop Enterprise sold separately; a valid QuickBooks Desktop Enterprise license code must be provided to Right Networks. Contact Right Networks to contract third-party software. Support for Hosting Service provided by Right Networks. Terms, conditions, pricing, service and support options are subject to change without notice.
5. Advanced Inventory is included in the Platinum and Diamond subscriptions. Requires QuickBooks Desktop Enterprise with an active QuickBooks Desktop Enterprise subscription and an Internet connection. You'll automatically receive any new versions of our product that are released, when and if available, along with updates to your current version. Terms, conditions, pricing, features, service and support options are subject to change at anytime without notice.
6. Scanners sold separately. Only available in Advanced Inventory module, which is available in QuickBooks Desktop Enterprise Platinum and Diamond subscriptions.
7. Advanced Reporting requires an active QuickBooks Desktop Enterprise subscription and an Internet connection. You'll automatically receive any new versions of our product that are released, when and if available, along with updates to your current version. Terms, conditions, pricing, features, service and support options are subject to change at any time without notice.
8. Advanced Pricing is included in the Platinum and Diamond subscriptions. Requires QuickBooks Desktop Enterprise with an active QuickBooks Desktop Enterprise subscription and an Internet connection. You'll automatically receive any new versions of our product that are released, when and if available, along with updates to your current version. Terms, conditions, pricing, features, service and support options are subject to change at any time without notice.
9. Membership in Priority Circle and its benefits are available only to customers located in the 50 United States, including DC, who have an active, paid subscription to QuickBooks Desktop Enterprise or QuickBooks Online Advanced. Eligibility criteria may apply to certain products. When customers no longer have an active, paid subscription, they will not be eligible to receive benefits. Terms, conditions, pricing, service, support options, and support team members are subject to change without notice.
10. QuickBooks Desktop Assisted Payroll is included in the base subscription for Enterprise Diamond; \$1 per employee per pay period; maximum of 4 pay periods each month. If you file taxes in more than one state, each additional state is currently \$12/month. Active subscription, Internet access and Federal Employer Identification Number (FEIN) required. Direct deposit is free for employees. Additional fees may apply for direct deposit for vendors. QuickBooks Desktop Payroll requires a supported version of QuickBooks Desktop Enterprise updated to the most current maintenance release. QuickBooks Desktop Enterprise supports over 100,000 employees, customers, vendors and other names combined. However, performance may slow when processing files containing more than 250 employees. Support is available M-F 6:00 AM - 5:00 PM PT. Support hours exclude occasional downtime due to system and server maintenance, company events, observed U.S. holidays and events beyond our control. Intuit reserves the right to limit each telephone contact to one hour and to one incident. Intuit reserves the right to change these hours without notice.
11. QuickBooks Desktop Enhanced Payroll is included in Enterprise Platinum, and as a discounted add-on to Enterprise Silver. Enterprise Silver with the Enhanced Payroll add-on is known as Enterprise Gold which is an upgraded plan. Enhanced Payroll does not limit the number of payrolls scheduled per month and there are no additional monthly per employee fees. Standard fees.
12. QuickBooks Payments requires an active QuickBooks account and is subject to eligibility criteria, credit and application approval. QuickBooks Payments is an optional fee-based service. See <https://quickbooks.intuit.com/payments/desktop/> for more information.
13. Active QuickBooks Desktop Enterprise subscription members receive new versions of our products, along with updates to your current version, when and if released within 12 months of QuickBooks Desktop Enterprise purchase date or subscription renewal date. Customer support is available from 6am-6pm Mon-Fri; 6am-3pm Sat (PST) for Pro, Premier, Standard, and Plus. Enterprise messaging access available 24/7. Hours exclude occasional downtime due to system and server maintenance, company events, observed U.S. Holidays and events beyond our control. Access to messaging with live experts or call back features requires a QuickBooks Care Plan, and internet connection. Care plan is included with Standard, Plus and Enterprise subscriptions. A la carte Annual Care Plan MSRP \$299.95.
14. Online backup and data protection: Requires internet access for backup, restore and setup changes and comes bundled with Enterprise (as well as Pro Standard, Premier Standard, Pro Plus, and Premier Plus subscriptions). Standalone Intuit Data Backup MSRP \$99.95 per year or MSRP \$9.95 per month for a-la-carte purchases. Entire PC is limited to 100GB total storage which includes up to the last 45 days of successful back-ups. Data encrypted using AES 256-bit encryption. Not available to QuickBooks for Mac or QuickBooks Online users. Backup can only occur if Intuit Data Protect is correctly set up by user and should only be set up on a single computer. Latest available version of Intuit Data Protect for your version of QuickBooks is required to ensure proper functioning. Not intended as a file transfer, remote access solution for your QuickBooks file. Intuit Data Protect is not intended as a HIPAA solution and its use will not assist with or ensure HIPAA compliance. Hours exclude occasional downtime due to system and server maintenance, company events, observed U.S. Holidays and events beyond our control. Subject to change at any time without notice.
15. Subject to availability of reliable Internet connection. See detailed list of systems requirements at <https://www.rightnetworks.com/system-requirements/>. See what RDP clients work with the hosting service at <https://www.rightnetworks.com/system-requirements/>. For compatible devices: <https://quickbooks.intuit.com/enterprise/features/technical-specs/?scroll=top>.
16. Support for the Hosting Service is provided by Right Networks. Contact Right Networks to contract third-party software. Terms, conditions, pricing, service and support options are subject to change without notice.
17. Requires Office 2013 - 2019, or Microsoft 365 (32 and 64 bit). Does not work with Microsoft Office Student Edition or Standard Edition.
18. Some functionality may be limited when running two instances. See www.qbes.com/sysreq for more information. Supported browsers: Chrome, Firefox, Internet Explorer 10, Safari 6.1. Also accessible via Chrome on Android and Safari on iOS 7.
19. For QuickBooks Desktop Enterprise (and QuickBooks Pro/Premier): Transfer data directly from Quicken 2016-2018, QuickBooks 4.0-18.0 and Microsoft Excel 2010 SP2 and above. For QuickBooks Online: Microsoft Word and Excel integration requires Word and Excel 2010 SP2 and above or Office 365. Data can be imported from all versions of QuickBooks Desktop. Import from QuickBooks Desktop must be completed within the first 60 days of setting up your new QuickBooks Online account and 1060 days for the QuickBooks Online Accountant's 'Your books' file. QuickBooks Online and QuickBooks Desktop are TLS1.2 compliant. Microsoft products sold separately. Word and Excel integration requires Office 2010 SP2 and above, or Office 365. Synchronization with Outlook is also possible with Contact Sync for Outlook 2010 (32-bit)

Important pricing terms, offer details, and disclosures

Terms, conditions, pricing, service and support options are subject to change without notice.

20. Pro and Premier customers may download data from participating banks until May 2024. This date does not apply to Pro Plus, Premier Plus or Enterprise customers. Online services vary by participating financial institutions or other parties and may be subject to application approval, additional terms, conditions and fees.
21. Requires Office 2013 - 2019, or Microsoft 365 (32 and 64 bit). Company files must all be on the same version of QuickBooks Desktop Enterprise.
22. TSheets Elite time tracking is included in the base subscription for Enterprise Diamond. Per-employee monthly fees apply. Each employee is \$5 per month. Requires an internet connection.
23. Only available in the Advanced Inventory module. Shipping subject to terms and conditions set forth by UPS, FedEx, and USPS.
24. Only available in Advanced Inventory module, which is available in QuickBooks Desktop Enterprise Platinum and Diamond subscriptions.
25. CRM connector works with Salesforce Professional, Enterprise and Unlimited versions only; Salesforce is sold separately. You are required to have an active, paid QuickBooks Enterprise Diamond subscription to be eligible for CRM connector. CRM connector subscription supports one company file per subscription; limited to one subscription purchased from Intuit. Your account on file will automatically be charged the then current list price on a monthly basis, starting at sign up, until you cancel. To cancel your CRM connector subscription at any time, call 1-800-4-INTUIT or contact your account manager. Your cancellation will become effective at the end of the monthly billing period and your subscription will terminate at that time. You will not receive a prorated refund; your access and subscription benefits will continue for the remainder of the billing period. Cancellation or termination of QuickBooks Enterprise Diamond will result in termination of CRM connector subscription. You will be billed monthly by Intuit for your initial CRM connector subscription and will be billed separately by DBSync for each setup and/or subsequent subscription(s). CRM connector is a service provided by DBSync and is available as a paid add-on subscription to QuickBooks Enterprise Diamond. CRM connector setup is required and is provided by DBSync. Various setup packages are available. Pricing varies depending on the setup package chosen. For setup pricing, to purchase additional subscriptions, or for general DBSync billing questions, call 1-877-739-2818 or email support-intuit@mydbsync.com.

Your purchase of QuickBooks Desktop Enterprise is a subscription. After year one, your credit card account will be automatically charged the then-current price of the QuickBooks Desktop Enterprise subscription every year unless and until you cancel. Cancel at any time by calling 800-300-8179, prior to your renewal date. If you cancel outside of the 60 days satisfaction period you will have access to Enterprise for the remainder of the year in which you paid an annual subscription. The following year you will no longer have access to the product or any of its connected services. We will authorize your card to ensure prompt order processing, resulting in a temporary hold on your account.
