Intuit Accessibility Conformance Report
Revised Section 508 Edition

(Based on VPAT® Version 2.5Rev)

Name of Product/Version: QuickBooks Desktop 2024 Pro, Premiere and Enterprise

Report Date: July, 2025

Product Description: QuickBooks Desktop is a desktop application for small and medium sized business

Contact Information: Accessibility-Feedback@Intuit.com

Notes: This report deals with a desktop product and certain web guidelines will not be applicable.

For best experience with a screen reader, we recommend JAWS with the QuickBooks-specific scripts that are available at no cost: [Accessibility features in QuickBooks Desktop](#)

Evaluation Methods Used: Evaluations include user testing, manual evaluations, QBDT specific test scripts (JAWS scripts), auditing and additional testing by The Paciello Group Interactive.

Applicable Standards/Guidelines

This report covers the degree of conformance for the following accessibility standards/guidelines

Standard/Guideline	Included In Report
[Revised Section 508 standards published January 18, 2017 and corrected January 22, 2018](#)	(Yes)

Terms

The terms used in the Conformance Level information are defined as follows:

- **Supports**: The functionality of the product has at least one method that meets the criterion without known defects or meets with equivalent facilitation.

- **Partially Supports**: Some functionality of the product does not meet the criterion.

- **Does Not Support**: The majority of product functionality does not meet the criterion.

- **Not Applicable**: The criterion is not relevant to the product.

- **Not Evaluated**: The product has not been evaluated against the criterion. This can only be used in WCAG Level AAA criteria.

Revised Section 508 Report

Chapter 3: Functional Performance Criteria (FPC)

Criteria	Conformance Level	Remarks and Explanations
302.1 Without Vision	Partially Supports	Key modules of QuickBooks 2024 are accessible when used with a screen reader. Some modules, including Home Screen, Planning and Budgeting, To Do Lists, Alerts Manager, Maintenance Alerts, Manage Fixed Assets, Lead Center, Intuit Payment Network, Inventory Activities, Workers Compensation, Intuit Health Benefits, My Payroll Service, Get Payroll Updates, Get Financing, Link Accounts (Step 3) are not fully supported with screen readers.
302.2 With Limited Vision	Supported	QuickBooks 2024 supports the use of screen magnification systems.

302.3 Without Perception of Color	Supported	In general, the QuickBooks 2024 user interface does not use color as the only means of conveying information.
302.4 Without Hearing	Supported	QuickBooks 2024 does not use audio information as a primary output source.
302.5 With Limited Hearing	Supported	QuickBooks 2024 does not use audio information as a primary output source.
302.6 Without Speech	Supported	QuickBooks 2024 does not require user speech for any functions.
302.7 With Limited Manipulation 302.8 With Limited Reach and Strength	Supported	QuickBooks 2024 does not require any fine motor or simultaneous actions other than standard keyboard and mouse usage. QuickBooks 2024 supports alternative keyboard and mouse input devices.
302.9 With Limited Language, Cognitive, and Learning Abilities	Supported	QuickBooks 2024 uses language that is as readable as possible (industry specific terms are not included in the calculation). We also let users know where they are in multi-stage workflows, focusing attention on important content; minimizing distractions. Forms are easy to complete, with clear error messages and simple error recovery.

Chapter 4: Hardware

Notes: Not Applicable, product is a software application.
